

aims of The Tallinding Project:

To continue supporting the Carter Nursery School and Carter Lower Basic School, repairs and maintenance, providing educational materials as required.

To assist with other related, worthwhile projects

To build a Clinic on the school site for the use of the schoolchildren and local villagers. Equip and assist with the running of said clinic.

To sponsor children from Tallinding who cannot afford to attend school, £10 per month pays for school fees, books, uniform and lunches.

Donations (large or small) of educational goods and/or money always welcome
